FOR IMMEDIATE RELEASE: July 1, 2010

EAN:9780980116410

Softcover Trade 9X6" 280 pages

Retail \$16.95

It's time to break the mould: a new recipe for the culinary mystery

Instead of the cozy caterer or home baker who stumbles into murder and solves the plot in a Miss Marple sleuth fashion, we now present the new generation of mysteries.

“Captain Cooked reads like Janet Evanovich morphing into Rachel Ray while filming a Hawaiian remake of the *Perils of Pauline*”, says fellow author Anne Hillerman (*Santa Fe Flavors*).

Captain Cooked, unlike any previous foodie writings, supplies not author recipes, but those from the top restaurants and chefs on the Big Island of Hawai'i.

In fact, *Captain Cooked* is a lū`au of flavorful choices for the reader:

Gourmand--a cookbook (over 25 easy-to-make Hawaiian recipes);

Traveler--take the tour of the island;

Romantic, a young woman's frustration at seduction and love;

Mystery --poisoning, bombings, revenge, earthquakes, terrifying cliff-hangers

Adventurer--a real treasure hunt employing GPS technology--the clues are in the book;

Political – want to talk about the Monarchy Movement & casino gaming

All tied together with the rich history and island allure of the Hawaiian culture, including art and music.

A portion of the proceeds of the retail sale of *Captain Cooked* will be contributed to the Food Basket – Hawai'i Island's Food Bank.

Following fast on the debut of the successful mystery thriller, *Vegas Die*, author S.P. Grogan crafts a Hawaiian tale destined to become a classic, and in doing so creates a new fictional heroine, Madison Merlot Dayne, who stumbles into constant and harrowing trouble.

ALL SHE WANTED – A QUIET BEACH WHERE SHE COULD GO TOPLESS.

NOT GOING TO HAPPEN.
